OVERVIEW

Please Plant offers extended maintenance service programs designed to maximize the lifespan and performance of our products in commercial, municipal, and institutional settings. While our products are engineered for durability and minimal upkeep, regular inspections and preventive maintenance can further enhance longevity, ensuring continued reliability in high-traffic environments.

MAINTENANCE PROGRAM OPTIONS

STANDARD MAINTENANCE GUIDELINES

Complimentary best practices for cleaning, inspections, and routine care, ensuring optimal product performance.

SCHEDULED PREVENTIVE MAINTENANCE

Custom service schedules available for high-use applications, helping to identify and address minor issues before they escalate.

REPLACEMENT PARTS & UPGRADES

Access to manufacturer-approved replacement components and product enhancements for extended service life.

SPECIALIZED SUPPORT FOR CUSTOM FINISHES

Additional care recommendations for products with unique coatings, branding, or specialty materials.

ELIGIBILITY & ENROLLMENT

Maintenance services are available for all standard product lines, including exterior furnishings, decking, railings, outdoor living products, and stormwater solutions. Custom maintenance agreements may be developed for large-scale projects based on purchase volume and site-specific conditions.

HOW TO REQUEST SERVICE

For maintenance inquiries, product care recommendations, or enrollment in an extended care program, contact our support team.
