PLEASE PLANT

PDS 03 | 1.3
REV. 0.1

BUILT TO PROTECT
Engineered for high-impact environments and perimeter control applications.

DURABLE MATERIALS
Steel or aluminum construction with corrosion-resistant finishes for long-term performance.

INTEGRATED LIGHTING
Optional LED lighting enhances visibility and safety.

CUSTOMIZABLE
Multiple heights, diameters, finishes, and mounting options available.

PRODUCT DATA SHEET

COMMERCIAL BOLLARDS
GEO-BLD

GEO SERIES

REV. 0.1

info@pleaseplant.com
+1 236-323-2179

MATERIALS

- High-strength steel or aluminum
- Powder-coated or anodized finishes
- Optional composite construction
- Stainless steel internal hardware

DIMENSIONS

36" – 48" (custom available)

4" – 12" (diameter)

Custom profiles and spacing available

PERFORMANCE

- Impact-resistant for vehicle protection
- Corrosion resistance exceeding ASTM B117
- UV stability compliant with ASTM G154
- Designed for harsh climates and urban exposure

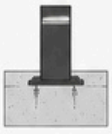

FEATURES

- Optional integrated LED lighting
- Custom RAL powder-coated finishes
- Anodized aluminum options
- Anti-graffiti coating available
- Decorative and security configurations

APPLICATIONS

- Traffic control
- Perimeter security
- Streetscapes and plazas
- Commercial and municipal developments

INSTALLATION

Surface-mounted with stainless steel anchors

In-ground installation for high-impact resistance

Engineered anchoring systems recommended for load zones

MAINTENANCE

- Mild detergent cleaning recommended
- Annual inspection of anchoring hardware
- Recoat or touch-up as needed for long-term performance

WARRANTY

- 8 YEAR — STRUCTURAL WARRANTY
- 3 YEAR — COATINGS & FINISHES
- 2 YEAR — COMPONENTS WARRANTY

SUSTAINABILITY

- Manufactured with up to 85% recycled content
- Supports LEED® Material & Resources credits
- Eco-conscious manufacturing processes

Please Plant is a supply-only manufacturer. Installation, engineering, and site preparation by others.
All products meet or exceed applicable ASTM and industry standards.
