PLEASE PLANT

PDS 05 | 1.3
REV. 0.1

BUILT TO ENDURE
Heavy-duty construction designed for high-traffic public environments.

INTEGRATED FUNCTION
Optional USB charging ports and cable management for modern convenience.

WEATHER READY
Corrosion-resistant materials and finishes built to withstand all conditions.

FULLY CUSTOMIZABLE
Custom sizes, materials, finishes, and features to fit your vision.

PLEASE PLANT

OUTDOOR TABLES
GEO-TBL

GEO SERIES

info@pleaseplant.com
+1 236-323-2179

MATERIAL COMPOSITION

Frame:
Powder-coated steel or aluminum, resistant to corrosion and wear.

Tabletop:
Composite or powder-coated metal with UV-stable coatings for lasting performance.

Sustainable Design:
Constructed with up to 85% recycled materials using sustainable production methods.

KEY BENEFITS

HIGH LOAD CAPACITY
Rated for up to 1,000 lbs of distributed weight.

WEATHER RESISTANCE
Built to endure harsh conditions, including coastal climates and Midwest winters, without degradation.

UV STABILITY
Tested to withstand prolonged sun exposure per ASTM G154 standards.

FIRE RESISTANCE
Certified to ASTM E84 Class A and CAN ULC-S102 standards for fire resistance.

AESTHETIC FLEXIBILITY
Available in a variety of finishes, colors, and dimensions to match any project vision.

DIMENSIONS

Length:
48" – 96"
(custom sizes available upon request).

Height:
28" – 30"

Depth:
24" – 36"
(ergonomically designed for versatile use).

KEY FEATURES

Eco-Friendly Manufacturing
Constructed with up to 85% recycled materials using sustainable production methods.

Customization
Available in various finishes, colors, and dimensions to meet project-specific needs.

Optional Features
Integrated charging ports, anti-graffiti coatings, and branding elements.

APPLICATIONS

- Public Parks
- Commercial Plazas
- Corporate Campuses
- Institutional Spaces

INSTALLATION OPTIONS

Freestanding
Includes adjustable feet for stability on uneven surfaces.

Surface-Mount
Secure anchoring hardware ensures permanent placement in high-traffic areas.

PERFORMANCE & TESTING

Load Capacity
Rated for up to 1,000 lbs of distributed weight.

Weather Resistance
Built to endure harsh conditions, including coastal climates and Midwest winters.

UV Stability
Meets ASTM G154 standards for UV resistance and color retention.

Fire Rating
ASTM E84 Class A
CAN/ULC-S102 compliant.

COMMON CONFIGURATIONS

RECTANGULAR TABLE WITH BENCHES | SQUARE TABLE WITH SEATS | ROUND TABLE WITH SEATS | COUNTER HEIGHT TABLE WITH STOOLS | ADA ACCESSIBLE TABLE

Custom sizes, configurations, and features available to meet project-specific requirements.

OUR APPROACH TO OUTDOOR TABLES

1 PROJECT CONSULTATION
We collaborate with designers and project stakeholders to understand project goals, site conditions, and functional requirements.

2 DESIGN & CUSTOMIZATION
Tables are engineered and customized in size, materials, finishes, and features to align with project needs and sustainability objectives.

3 INSTALLATION GUIDANCE
Our team provides installation recommendations and documentation to ensure optimal performance, stability, and longevity.

MAINTENANCE

- Routine cleaning with mild, non-abrasive detergents.
- Inspect hardware annually to ensure stability and performance.
- Touch-up coatings as needed to maintain appearance.

SUSTAINABILITY

RECYCLED MATERIALS
Up to 85% recycled content.

ECO-CONSCIOUS MANUFACTURING
Processes designed to reduce embodied carbon and waste.

LOW ENVIRONMENTAL IMPACT
Efficient production methods minimize environmental impact.

LEED® CONTRIBUTION
Supports LEED Material & Resources and Sustainable Sites credits.

WARRANTY

8 YEAR STRUCTURAL WARRANTY

3 YEAR COATINGS & FINISHES WARRANTY

2 YEAR COMPONENTS WARRANTY

Consult terms and conditions for full warranty details per product type.

FAQ

Q: Can tables be customized?
A: Yes, custom sizes, finishes, and features are available.

Q: Are tables suitable for coastal areas?
A: Yes, materials and coatings are designed to resist corrosion in coastal climates.

Q: Are integrated charging ports available?
A: Yes, charging ports can be integrated as an optional feature.

Q: Do tables require anchoring?
A: Freestanding tables include adjustable feet. Surface-mount options are available for added security.
