PLEASE PLANT

PDS 03 | 3.4
REV. 0.1

MODERN DESIGN
Clean lines and timeless finishes complement any outdoor environment.

DURABLE CONSTRUCTION
Built with high-performance materials engineered for years of reliable use.

ECO-FRIENDLY FUNCTION
Efficient gas-burning options with low emissions and eco-conscious materials.

CUSTOM OPTIONS
Multiple shapes, sizes, finishes, and fuel types to suit your vision.

MATERIAL SPECIFICATIONS

- Constructed from high-grade, weather-resistant metals.
- Corrosion-resistant finishes for enhanced longevity in all climates.
- Sustainable materials used in eco-conscious manufacturing.
- Designed with sustainability in mind to reduce environmental impact.

DIMENSIONS

Standard and custom dimensions available to accommodate any outdoor layout.

Customizable shapes and sizes to suit various project requirements.

PERFORMANCE & TESTING

WEATHER RESISTANCE
Designed to perform in all climates, from harsh winters to coastal environments.

DURABILITY
Built to withstand heavy use in high-traffic environments.

SAFETY COMPLIANCE
Engineered to meet commercial safety standards and regulations.

LOW MAINTENANCE
Easy-to-clean surfaces and components require minimal upkeep.

EFFICIENT FUEL USE
Optimized burners for consistent heat output and reduced fuel consumption.

CODE COMPLIANT
Designed to meet or exceed commercial and public safety standards.

KEY FEATURES

ELEGANT DESIGN
Minimalist aesthetics that integrate seamlessly into urban or natural settings.

ECO-FRIENDLY
Efficient fuel systems and sustainable production processes minimize environmental impact.

CUSTOM CONFIGURATIONS
Customizable shapes, sizes, and finishes to suit any project requirements.

FINISH OPTIONS
Powder-coated metals, stainless steel, and rustic patinas to match design goals.

FUEL OPTIONS
Available in natural gas, propane, or wood-burning configurations.

DURABLE CONSTRUCTION
High-grade materials ensure long-lasting performance and reliability.

EASY INSTALLATION
Designed for straightforward installation with expert support for seamless integration.

INVITING ATMOSPHERE
Creates a warm and welcoming environment for year-round outdoor enjoyment.

APPLICATIONS

- Rooftop Lounges
- Parks & Public Spaces
- Hospitality Venues
- Outdoor Communal Areas
- Residential Complexes
- Corporate Campuses
- Outdoor Patios & Decks

INSTALLATION

EASY INSTALLATION
Pre-engineered systems ensure straightforward installation and integration into any outdoor design.

EXPERT SUPPORT
Our team provides guidance and support throughout the installation process.

Designed for efficient installation to minimize on-site disruption and accelerate project timelines.

MAINTENANCE

- Regular cleaning with water and mild detergents recommended to preserve finishes and functionality.
- Remove debris from burner area periodically to ensure optimal performance.
- Inspect components annually to ensure safety and reliability.
- Designed for minimal maintenance and maximum longevity.

WARRANTY

8 YEAR	3 YEAR	2 YEAR
STRUCTURAL WARRANTY	COATINGS & FINISHES WARRANTY	COMPONENTS WARRANTY

Consult terms and conditions for full warranty details per product type.

SUSTAINABILITY

RECYCLABLE MATERIALS
Made with recyclable and eco-friendly materials.

SUSTAINABLE CHOICE
Supports green building initiatives and responsible manufacturing.

MEETS LEED® CRITERIA
Contributes to Materials & Resources and Sustainable Sites credits.

NOTES

Please Plant is a supply-only manufacturer. Installation, site preparation, and engineering verification are the responsibility of others. Specifications subject to change without notice. Contact Please Plant for the most current product information.
